Cultural Differences

Every culture has its specificities, and as fascinating as they can be, not knowing them can prove surprising and challenging when travelling. To help you blend into the local culture and make the most of your time in Italy, we have listed some of the most striking cultural differences you should be aware of, along with some helpful tips.

Eating times
Like in most mediterranean countries, Italians have a more relaxed way of life than in the UK. Italians generally have lunch between noon and 2pm, depending on the region, and have dinner between 8pm and 10pm. This is reflected in the working times, and most businesses, museums and churches are closed between noon and 2pm, sometimes longer. This may be inconvenient if you are not used to it, but it actually contributes to the Italian way of life. While one could say that ‘time is money’ in Northern Europe or America, in Italy ‘time is life’.

Coffee
Coffee is an institution in Italy and there are a couple of rules you should be aware of. Any form of milky coffee, such as ‘cappuccino’, ‘café latte’, or ‘latte macchiato’, should only be ordered in the morning. And beware of ordering just a ‘latte’: you will get a simple glass of cold milk. Similarly, don’t ask for an espresso, but simply for a ‘caffè’. Frappuccino isn’t a thing in Italy, and Italians prefer to keep everything simple. There are some regional exceptions though. For example, you may order a ‘caffè alla nocciola’ in Naples, that is, a coffee with hazelnut cream.

Clothing
While wearing shorts and sandals is fine for the beach, you should prefer smart-casual clothes for cities. Also, avoid any offence when visiting churches by covering your shoulders and torso.
Italian Culture Recommendations

Books
The Italian literature is ancient and renowned, and there is a variety of genres you can choose from to practice Italian. It is almost impossible to make an exhaustive list of books to read when it comes to Italian literature, but we would certainly recommend these for those who are learning the language:

- **Le avventure di Pinocchio**, by Carlo Collodi: of the most famous novels for children, Pinocchio has been translated in over 240 languages since its original publication in 1883. Reading it in Italian will be an opportunity to rediscover the captivating adventures of Pinocchio and his creator Geppetto.

- **Novecento**, by Alessandro Baricco: described by its author as half a play and half a tale, this book tells the story of a great pianist growing up on a boat and never touching land.

- **I pirati della Malesia**, by Emilio Salgari: this exotic adventure novel was published in 1896 and hasn’t lost its appeal since then. Part of the Sandokan Series, this novel follows the adventures of pirates fighting injustices.

- **La solitudine dei numeri primi**, by Paolo Giordano: this novel narrates the complex lives and relationship between two traumatised outsiders.

Music and Films
The Italian cinema is one of the most varied and eminent in the world. There are many Italian films you should watch, but as a new learner we would recommend easy-to-understand films such as:

- **Ladri di biciclette** (1948): an Italian classic, this film follows a poor man looking for his stolen bicycle across the streets of Rome.
Italian Culture Recommendations

• **La vita è bella** (1997): this comedy-drama film is partly based on real history and follows a Jewish Italian father who has to be creative to protect his son from the Nazis.

• **Il capitale umano** (2013): based on the American novel ‘Human Capital’, this film tells the story of two families’ lives connected by an accident.

Music-wise, there are many songs with Italian lyrics you could listen to in order to practice your listening skills. Depending on your preferences, you may be more interested in Italian rap or instead in rock. Listening to easy-to-understand songs will prove more efficient for beginners and elementary Italian learners. Here are a few we picked up for you:

• **Volare**, by Domenico Modugno: a classic and well-known 1950s Italian song.

• **L’Italiano**, by Toto Cutugno: an easy-to-understand song with simple lyrics which will help you catch new words.

• **Acqua Azzurra Acqua Chiara**, by Lucio Battisti: another classic and catchy Italian song.

• **Il Pescatore**, by Fabrizio De André: this song has a low tempo, making it easy to follow and understand.

**Food**

Italian cuisine is renowned across the world and has strongly influenced other cuisines worldwide. As a result, it can be hard to decide which dish to choose from, but we thought you should taste these:

• **Pappa al Pomodoro (Bread and Tomato Soup)**: a very rich tomato soup made with olive oil and bread.
Italian Culture Recommendations

• **Insalata Caprese (Caprese salad):** resembling the colors of the Italian flag, this salad is made of sliced mozzarella, tomatoes and green basil. It is traditionally served as an ‘antipasti’, that is, a starter.

• **Coniglio al Vino Rosso (Rabbit Braised in Red Wine):** cooked with red wine, this tasty braise is making a comeback in Italy.

• **Pasta zucchine e gamberetti (Zucchini Pasta and Shrimps):** this delicious Italian pasta recipe is a classic.

• **Spaghetti all’Amatriciana:** another great Italian pasta recipe prepared with Amatriciana sauce, which is based on tomato, pork meat and pecorino cheese.

• **Pesce Spada alla Ghiotta (Swordfish with Olives and Capers):** a swordfish steak served with olives and capers.

• **Risotto ai funghi (Mushroom Risotto):** along with pasta, rice is a staple of Italian cuisine. This creamy mushroom risotto is an excellent choice for a successful meal.

• **Torta Salata di Zucchine e Cipolle (Zucchini, Onion and Ricotta Pie):** a savoury pie made of fresh ricotta and eggs, and often including zucchini, onions, squash or peppers.

• **Calzone:** we could not have completed this list without mentioning this highly popular folded pizza. Originating from Naples, it is typically stuffed with ham, mozzarella, ricotta and eggs.

• **Pignoli (Pine Nut Cookies):** these are classic nutty Italian cookies.

• **Panna Cotta:** this well-known sweet cream and gelatin pudding is easy to prepare, and even easier to enjoy!

• **Torta di Sant’Antonio (Apple and Red Wine Tart):** originating from the Alps, this delicious pie is cooked with red wine and cinnamon.
